To Whom It May Concern:

This is to verify that Peter E Olsen was our part-time employee from 3/27/2006 until 1/26/2009 when he departed our employ to head off to college.

Although starting with us at a young age, Peter displayed the maturity, integrity, honesty, dependability, and attention to detail that we needed with a minimum amount of supervision. We were able to leave him for up to two weeks at a time and be confident that he would carry out his duties very accurately. At no time did he betray our trust in him being in charge and having access to our house.

His duties included accurately picking items off of our product shelves, bagging and labeling bulk product, boxing the products, and labeling the boxes for shipment. Some lifting of items up to 60 pounds was also involved.

While I doubt that Peter would ever want to return to our part-time position, he would certainly be welcome, and if we had it to do all over again, we certainly would hire him again.

Sincerely,

**Kerry D Gibbons**
